FREE EVENT & GIVEAWAYS

PATIENT & ADVOCATE EDUCATION FORUM

LEARN. CONNECT. EMPOWER.

Why Attend?

Join us for a free, empowering day of education, connection, and support. Hear from leading experts and inspiring survivors as you learn how to navigate gynecologic cancer with confidence, community, and hope.

What We'll Cover

- Managing side effects and improving quality of life
- Nutrition and healthy living during and after treatment
- Emotional wellness, mental health, and sexual intimacy
- Advances in clinical trials, treatments, and technology
- Stories of strength and hope from survivors
- Advocacy, empowerment, and finding your voice

Who Should Attend?

- Gynecologic cancer survivors of any type
- Patients currently undergoing treatment
- Family members, caregivers, and advocates
- Anyone passionate about women's health
